Reflection Questions

When have you had to do hard things for someone you love? What did you have to do?

When have you been attacked or ridiculed for your faith? How did you respond?

Have you ever been physically assaulted for your faith? If so, what happened?

When has your faith ever led you to do anything that was risky? What were the risks?

How are you laboring to spread the Gospel? Why is this a personal and corporate (church) responsibility?
